

Agenda Catalina-Rincon FireScape
February 3, 2009
12:30 p.m. at The Nature Conservancy (1510 E. Fort Lowell)

FireScape “Essence:” Jeanine’s elegant writeup is attached, and we can discuss further (Brooke). FLRA directions (Randall).

Fuels Assessment Update: Results of January 22 meeting and where we go from here (Don). Details of Joe Scott visit.

Steps/Schedule: Review a draft of the oft-requested schedule (Brooke).

January Presentations: How did it go with the Governor’s Forest Health Council and the FLT (Brooke)?

Website latest: Still trying to go live (Steve and Cori). Validate goals, bios still needed, confirm Steering Group title.

Outreach ahead: Working group, public, permittee information sessions? CHORE: Fix contact list, live in real time, right here at the meeting (Steve). Session for participants of all the FireScape projects (Stan/Brooke)?

Coordinating with Buffelgrass Coordinators: Report on meetings with SABCC (Don, Brooke).

Desired conditions update: How are lower-elevation descriptions coming along (Jennifer)?

Fire field trip for UA range students: Could we put together a field trip that relates fire ecology and the FireScape project?

Other items?
